

THE REDMOND FAMILY

Missionary-Evangelists to North America

June 2016

Dear Fellow Believers and Friends,

The Lord gave us a wonderful month of May as we had great meetings in Alabama and Georgia. Because of the problems with our trailer this past winter, May was the first month of 2016 that we spent entirely on the road. In addition to the great services, the Lord provided enough money to make the down payment on a new trailer. We praise the Lord for His provision of places to serve and the money to help purchase the equipment in which to serve Him.

We spent the first part of May in northern Alabama, the Cullman area to be precise. Last year we held a three-church tent revival, and the churches wanted to have one again. Two of the three churches are in Cullman: Victory Baptist Church pastored by Keith Whitley and Trinity Baptist Church pastored by Charles Sparks. The third church, Grace Baptist Church pastored by Alan Sinclair, is in Hanceville, about 15 minutes away. We spent the first week of May in preparation work for the tent revival. I preached in two of the churches, and each night we distributed some of the 1,000 invitations to the meeting. My family, Van Billingsley our tent co-laborer, and members of each church faithfully labored to invite people to the meeting.

The meeting was well attended throughout the week by the members of all the churches. We also had visitors in just about every service. Several people mentioned that they were helped by the preaching. We certainly appreciate the great privilege to labor with these three churches in Alabama, and we are thankful for how the Holy Ghost worked in many hearts.

From Cullman, we headed to Jefferson, GA, for the annual Missions Meeting at the Jefferson Lighthouse Baptist Church. Pastor Kevin Whitman, his family, and the people of Jefferson Lighthouse have become dear friends of ours over the years. This was the sixth consecutive year that we have been privileged to be a part of this meeting. The first week, I started the meeting by preaching the Sunday and Wednesday services. We also helped to distribute some of the 500 packets of church information, tracts, and invitations that the church had prepared to reach the neighborhoods near the church. The second week I preached two nights, and we enjoyed hearing the other preachers and getting to know the missionaries and their families. As always, we had a great time during the Missions Meeting at Jefferson Lighthouse.

We are very thankful for the churches and friends that have given offerings to help with the down payment of a new trailer. As I have mentioned to many people, it is not our desire to have a new trailer. However, we have spent thousands of dollars in trying to keep our present trailer on the road. With more repairs needed, we feel the best thing is to get rid of this one and buy another one. We appreciate all of those that have understood our problem and have felt led to help us with this matter. Now we will try to purchase the new trailer while on the road. The Lord is able to provide the right
