

THE REDMOND FAMILY

Missionary-Evangelists to the United States

October 2016

Dear Fellow Believers and Friends,

September was an unusual month for us. We normally are out west serving the Lord in various churches. That was our plan again this year, but as I mentioned last month we came back east for my dad's funeral and then had some repairs on our trailer that needed to be done. We knew from past experience with RV repairs that it would take some time, but we did not think that it would take this long.

We certainly appreciate Pastor Keith Linzy and the people of Morning Star Baptist Church in Shelby, NC, for making their mission house available for our use. They have been patient with us while we are waiting for our trailer to be repaired. Morning Star and other churches who have mission houses are a great blessing to missionaries. While on deputation or on furlough, a missionary needs a place to stay. Some may have houses of their own that they can stay in. Most do not have enough money to keep a house while on the field, so a mission house comes in handy. With our trailer in the shop, the house has been a great benefit to us. We certainly are thankful.

While staying in the mission house, we have attended services at Morning Star. Nowelle has used the opportunity to advance her music skills. Some students from Ambassador Baptist College are attending Morning Star, and Nowelle has sung duets and quartets with them. The people in the church have been blessed by her singing, as well as the singing by our entire family.

Bro. Linzy asked me to preach Homecoming services at Morning Star on September 18. He told me early in the month that the Lord had laid me on his heart to preach Homecoming. Since we were out west, he dismissed the thought. However, since we had to come back for the funeral and repairs, he asked me to preach. We enjoyed a great day as the church celebrated their 52nd anniversary.

We certainly appreciate those who have helped us make it financially through the month. With the cancellation of our scheduled services, we knew the month would be difficult. Several churches and individuals gave to help us. We are thankful for our regular supporters and also the extra offerings from all those who gave. May the Lord richly bless you for helping God's servants.

We are also thankful for those who have allowed us to minister in their churches on short notice. We have been able to schedule several services throughout October. I will report on those services next month.

We are anxious to move back in the trailer and return to the road. Please pray that
