

THE REDMOND FAMILY

Missionary-Evangelists to the United States

March 2017

Dear Fellow Believers and Friends,

For the first time in several years, we were able to be in our trailer and on the road for at least part of February. The last two years, our trailer was in the shop and was not available until April. The year before that, 2014, Tamatha was in and out of the hospital for several months. We were so glad that the manufacturer fixed the problem with the frame correctly and did so in just two weeks. We moved back in the trailer and headed to the middle part of South Carolina to see some friends that we had not seen in several years and also to attempt to meet some new pastors in that area.

We certainly appreciate Morning Star Baptist Church in Shelby, NC. Pastor Keith Linzy and the people of the church fixed up their old parsonage and turned it into a mission house. They have made it available to missionaries who need it on deputation or furlough. Other churches have done similar things, and it is a great help to missionaries. While on deputation or furlough, most do not have a place to stay. They cannot afford to have a house in the US and on the field, but they need a place to stay. This mission house, and others like it, come in very handy. We do not have a permanent house. We do not need one since we are on the road all year. We also could not afford to have a house and a trailer. It would be unnecessary and unaffordable. But when our trailer is in the shop, we need a place to stay. Thank you Morning Star Baptist Church for allowing us to use your mission house.

While in Shelby, we attended Morning Star for several services. We also were able to attend their Valentine Banquet and had a good time there. I preached one Sunday in January for Bro. Linzy when he was having some heart problems. We enjoyed our time at Morning Star and look forward to being there again later this year.

We also visited Victory Baptist Church in Gaffney, SC. Pastor Greg Little allowed me to tell about our ministry that morning. We enjoyed the Sunday School and morning service at Victory.

That night we went to Heaven Bound Baptist Church in Bessemer City, NC. Pastor Jason Moore allowed me to give an update on our labor for the past year and Tamatha and the children sang. After the service, Bro. Moore took up an offering for the children and also gave one to help with our expenses. We certainly appreciate the kindness of the people of Heaven Bound Baptist Church.

As I mentioned, once we were back in the trailer, we headed to Salley, SC. We appreciate Pastor Joey Curado allowing us to park at Calvary Baptist Church. The first Sunday we drove to Lexington to meet Pastor Dickson Beam and the people of

Lighthouse Baptist Church. Bro. Beam had just come to the church a few months ago. We enjoyed getting to meet him.

That night we drove to Orangeburg to meet Pastor Aaron Abreu and the people of Gospel Light Baptist Church. We had a great time in the service. Bro. Abreu allowed me to tell about our ministry and Tamatha and the children sang. After the service, we had a great time of fellowship with the Abreu family. We enjoyed the time so much that we planned a couple of outings together while we were in the area. The following two Fridays we went to the SC State House and State Museum. We enjoyed the service and fellowship with the Abreu family and look forward to seeing and laboring with them again.

We appreciate our supporters so much. Thank you for your faithful support.
