Dear Fellow Believers and Friends,

After a longer than expected time of preparation, we hit the road in March. What a wonderful feeling it was to hitch up the trailer and pull on to the interstate heading for services. We had a great time in our first church in Tennessee. From there we headed to Alabama where we are right now. We are looking forward to a busy spring in services and meetings in Alabama, Tennessee, and Georgia. The Lord has given us a wonderful privilege to serve Him, and we thank Him daily for it.

We are also thankful for the people He uses to help us in this ministry. To our monthly supporting churches and individuals, we say a hearty "thank you" for your faithful offerings each month. You are very precious to us, and we thank you so much for giving to keep us on the road.

Just about every month the Lord touches someone to give a special offering. This month Jeffrey Jacques and David Jones sent in offerings. Our home church also gave us a special offering to buy some things that we will use on the road. To each of these we say a special thank you for your kindness and generosity.

As I mentioned in our last letter, our trailer was in the shop for some repair work. We had to get a wall replaced that had been damaged by some water leaks. The step into the trailer and a vent were worn out and replaced. We also had to get some general maintenance done as well. The most important item that needed replacing was the kitchen sink. As it turns out, the sink had to be special-ordered from a place in Texas. They made it just for us. Because of the special order, it did not come in until the day we were to leave Greenville. Johnny Flynn, my sister's father-in-law, made a special trip over to our trailer and installed the sink. He even bought a new faucet and drains to match the new sink and would not allow us to pay him for it. We are very thankful for all that he did for us. As you can expect, Tamatha and Nowelle are enjoying washing dishes in the new sink.

Our partner in the tent ministry, Van Billingsley, sold the passenger bus that he used in his mission church. Now he will be able to purchase a shuttle bus to convert to use as a motor home to live in and pull the tent trailer. He is currently raising the support that he will need to live on when we do the tent meetings. We are praying that we will be able to hold some tent meetings next spring and summer.

Since last month, the Lord has provided several places to preach in the coming months. Our schedule is filled with at least one service every Sunday until June. We also have several meetings that we are excited about being able to preach. Please remember us and try to pray for each service and meeting.

We do have some open dates during the summer and fall that we will try to fill in the next few weeks. Please pray that we will be in the right place at the right time.

Praises

1. Completion of repair work on trailer.
2. Protection in travel to Tennessee and Alabama.
3. Great services at Lawrenceburg Baptist Temple. Pastor Brandon Smith and his family and church have been very good to us. We enjoyed the services and fellowship with them.

Prayer Needs

1. Power in preaching;
2. Protection in travel;
3. Places to fill open dates;
4. Provision of needs (additional support; fuel money for summer and fall travel).
