February 2012

Dear Fellow Believers and Friends,

We have a wonderful privilege to live each day for the Lord. Psalm 68:19 says, "Blessed be the Lord, who daily loadeth us with benefits, even the God of our salvation. Selah." We often get caught up in the perplexities of life and forget about how good God is to us, but if we would just take a few moments each day to ponder His goodness, we would realize that God is very good to us, and praise Him just like the psalmist.

As we mentioned in January, our traveling schedule was limited for the month. But we did not stay idle. Being in Greenville allowed me to preach at my home church each Sunday. Bro. Stafford, our pastor, has been working a full-time job for the past several years in addition to pastoring. He took advantage of our being around and gave me the privilege of preaching each evening service. It was a privilege to do so. Being at home also allows me to work on new messages and do some preparatory work for the remainder of the year.

Also in January, our home church hosted a Missions Revival. We had ten missionaries preach in the meeting. I also had the privilege of preaching during each service. We had a great time being with these dear servants of God.

God is putting our schedule together for the remainder of the year. As you can see on the back, there have been some meetings and services added. We are waiting to hear back from some other pastors and church planters concerning some other services. We are praying that by next month our schedule will be just about complete for the year.

We do thank each church and family that supports us. We could not do this ministry without your prayer and support. The traveling that we will do across the country this year would be impossible without you. The meetings and services that we will preach in the coming months are possible because you give each month. Thank you very much.

February is also the time when we do some upkeep on our truck and trailer. As you can imagine, crisscrossing the country puts some wear and tear on them. We try to fix them up for another year of service, and pray that they will not need any work while we are on the road.

We are thankful for the e-mail that Pastor Stan Stringer sent us this past month. Others have mentioned that the NewsLetter is a blessing to them. We are thankful for that. If you have not contacted us recently, please send an e-mail this month. We would love to hear from you.

Praises

1. In addition to our faithful supporters, Richard and Shirley Hughes sent an offering this month. Thank you so much.
2. We thank the Lord for the services and meetings that the Lord has allowed us to schedule this month. We are looking forward to a wonderful time with each of these pastors and their families and churches.

Prayer Needs

1. Power in Preaching. Pray that the Lord would enable me to preach the Word and that He would use it to touch the hearts of saints and sinners.
2. Completion of Schedule. Pray that the Lord will put us in the right place at the right time.
3. Safety in traveling. Pray that the Lord would keep us safe as we travel doing His work.
