Dear Fellow Believers and Friends,

We had a wonderful December serving the Lord in Georgia and in our home church. As is the normal pattern, December slows down our traveling schedule. That is not all bad as we get to spend some time in our home church and also with our families. The Lord was very gracious to us in providing our regular support and also some offerings from friends of this ministry.

We do appreciate our regular supporters who are so faithful each month with their gifts. It is what the Lord uses to finance this ministry. Thank you so much!

We are also thankful for the special offerings given during December. Harvest Baptist Church in Honea Path, SC, gave us an offering when we dropped by in December and gave an update on our ministry. Also, Robert Tuck, Arnold and Jordiene Larson, and Richard and Shirley Hughes sent in offerings. Thank you very much!

As you can see from our schedule on the back, the Lord is putting it together. We are thankful for each service and meeting that the Lord has given. Some are already confirmed. For others, we are waiting to confirm final dates while we work with some other pastors on our dates with them. We now have a service scheduled, or in the works to be confirmed, for each month from now to the end of the year. We will add in other services and meetings as the Lord provides.

We are excited about being able to go to some new churches and work with some new church planters this year. The Lord willing, we will be in Montana and Idaho for the first time. We are praying that the Lord will enable us to be a help and a blessing while with these dear soldiers of Christ.

Praises

1. We had a great service with Pastor David Bentley and the People's Baptist Church in Tucker, GA. I had the privilege of preaching during the Sunday School time. The people were very responsive to our ministry. We had a wonderful time there.

2. From Tucker, we drove back to Greenville and dropped in at Harvest Baptist Church in Honea Path, SC. Pastor Jim Rutland and his people were very gracious and kind to us. Bro. Rutland allowed me to give an update. Tamatha and the children also sang. We enjoyed being with them.

3. For the other Sundays in December, we were at our home church. I preached each Sunday and had the special privilege of preaching Christmas morning. It was a wonderful service. Why we do not have services every year on Christmas is beyond me. It is about Christ, is it not?

4. We closed out the year with our Watch Night service at our home church. This is a special time each year as we remember the accomplishments and disappointments of the past year and look forward to the promise of the coming year. As I have for 11 years now, I preached during that Watch Night service.

5. We are so thankful for those that have allowed us to be a part of their services. We do not take it for granted and desire to be a blessing to each pastor and church member.

6. We made our last payment on our truck in December. We truly praise the Lord for allowing us to do that.
