February 2013

Dear Fellow Believers and Friends,

We spent January laboring in our home church and another church in the Greenville area and also trying to find the right truck and trailer that would enable us to get back on the road. The meeting that I was scheduled to preach at our home church had to be cancelled when I came down with a stomach virus.

In addition to searching for the truck and trailer, I was making contacts for places of service this year. We will be able to labor in a new place—Minnesota. We have traveled through there on a couple of occasions, but have never ministered in a church. We are looking forward to our time there in June. I am still waiting to hear back from some church planters about possible tent meetings, revival meetings, and Sunday services. The Lord willing, we should have the majority of our services and meetings scheduled by the end of February. I have heard from Bro. Stan Stringer in Arizona. When I hear back from some other church planters in New Mexico and Arizona, we can plan better the exact time we will be in those two states.

There are many places to go, but we want to be where we are needed the most. We make ourselves available for tent meetings, revival meetings, and Sunday services, and let the church planters know when we will be in the area. If they are interested in having us come, we can schedule the time that will be most helpful. We do ask that you pray that places of service will open up for us, and we can stay busy serving the Lord for the remainder of this year. Silas turned 7 on February 11. He mentioned right after Christmas that his birthday is “the next big thing.” He was right. We enjoyed celebrating his birthday.

Praises

1. I enjoyed teaching Sunday School and preaching a service at our home church while we were in town during January. As I mentioned at the beginning, I was scheduled to preach a Sunday-Wednesday meeting, but on the Friday before the meeting, I came down with a stomach virus and missed the meeting. Thankfully, no one else in the family became sick.
2. We enjoyed a good service at Wayside Baptist Church in Greenville, SC, on January 20. The pastor, Ken Rainey, and I worked together at an office supply company over 20 years ago. We had a good time with Bro. Rainey and the church family.
3. We are thankful for the meetings and services that we have scheduled so far and look forward to getting back on the road soon.
4. We are very appreciative to our regular supporters. Thank you so much for your faithful support. We also appreciate the special offerings from Richard and Shirley Hughes and Ken and Dorothy Gardner.
5. The Lord supplied a truck big enough to pull a fifth wheel. I will give more details next month.

Prayer Needs

1. Please pray for guidance concerning the trailer. Now that we have the truck, we can turn our attention to finding the trailer that the Lord has for us. It is not an easy process, but we know that we can trust the Lord to show us the right one.
2. Please pray about the completion of our schedule. We are getting stir crazy staying in the same place for a while, and cannot wait to get back on the road, but we need a trailer and places to go. Please pray that we can find church planters who need and want us to come.
3. We do have some equipment that we will need for the first tent meeting in Alabama in April. Pray that the need will be supplied for that meeting.

Preaching the Gospel,

Paul, Tamatha, William, Nowelle, Wesley Peter, and Silas
