March 2013

Dear Fellow Believers and Friends,

The Lord was good to us during February. He provided the truck that we will need to pull a fifth wheel. He gave me some opportunities to preach during the month, and also allowed us to schedule some services and meetings throughout the year. It is a wonderful privilege to serve such a gracious Lord.

We have been looking for the right truck since we came back to Greenville in December, but we needed to take care of some other priorities before we could buy the truck. When those were taken care of, we could purchase the truck. Tamatha began searching. We thought that we might have to travel out of state to find the right one. The night before we were ready to go to North Carolina, she noticed that the one we were looking at was sold. But she found an even better option in Anderson. It was a 2005 Ford F350 with only 46,000 miles. We went and looked at it. It seemed to be just what we needed, so we bought it. Now we could turn our attention to finding the right trailer. We will tell you how that has gone next month.

### Praises

1. We certainly appreciate our faithful supporters. Without your faithfulness, we could not be preparing for what we will do throughout this year. We could not preach the Gospel, nor encourage families without you. Thank you so much for allowing us to serve the Lord.

2. We also appreciate the special offerings that come in throughout each month. Arnold and Jordienne Larson sent a package containing an offering, a gift card, and a recipe book for Tamatha. Thank you so much for thinking of us.

3. We had a great service at Calvary Baptist Church in Greer, SC. Pastor John Turner gave me the privilege of preaching there on February 10. The church received us graciously and provided a generous love offering. We enjoyed our time there.

4. We also were able to spend some time at our home church. Tamatha taught a Sunday School class, and I preached during some services. We are thankful for all that our home church does for us and for the time we were able to be there in February.

5. We are glad to announce that we have scheduled some other tent meetings. As you will notice on the back, the Lord has opened the door for meetings in North Carolina and South Dakota. Bro. James Ruckman is planning for at least one more meeting, and we are praying that we can have another one in South Dakota as well.

6. We are very excited about the truck that the Lord has provided. We are one step closer to being back on the road.

### Prayer Needs

1. Please pray for further additions to our schedule. Sometimes it can get frustrating waiting to hear back from pastors or even trying to get in touch with them. But from 7 years of experience, we know that the Lord will put us in a place to serve Him, if we are available. We have surrendered our lives to the Lord, and we know He will put us in the right place at the right time.

2. Pray for the services and meetings coming up in late March and April. We desire to preach the Gospel to sinners and encourage believers. Pray that we will be usable vessels in the Master's hand.

3. Pray for protection as we travel. The Lord willing, we will head to Alabama at the end of March. We will be in Alabama and Georgia in April, and in North Carolina and Georgia in May before heading north to Minnesota in June.

4. Pray for provision of needs. With the travel comes increased fuel costs. We know that the Lord will provide. Pray that we can rest completely in Him.

Preaching the Gospel,

*Paul, Tamatha, William, Nowelle, Wesley Peter, and Silas*
