October 2013

Dear Fellow Believers and Friends,

We had a wonderful time in Arizona during September. Although I had spent some time there in 1995, it was our first time as a family. We had the privilege of laboring all over the state—from Show Low on the east side, to Avondale in the Phoenix area, Sedona and Cottonwood in the north central, and Tucson in the south. We thoroughly enjoyed every church and church planter that we were able to be with. We also enjoyed seeing God's creation. We were able to see the Grand Canyon. It was a marvelous sight, and the children thoroughly enjoyed themselves.

We are thankful to everyone who gives to this ministry. Our monthly supporters are the backbone who keep us on the road. Thank you for your faithful support. We are also thankful for those who send in offerings on occasion throughout the year. This month we received a gift from Jeffrey Jacques. Thank you so much. Also, the churches where we labored gave what they could to enable us to pay our bills. We are thankful for each gift.

The children are working hard at school. By the time you receive this, the first quarter will be finished. Because of our ministry, we are able to see some things that normally we would not. Last year, we decided to try and visit as many state capitals and presidential museums as possible. These serve as historical lessons for the children, and they are fun to do as well. This year we were able to see the Abraham Lincoln Presidential Library while we were in Illinois, and we have toured state capitals in Iowa, South Dakota, Wyoming, and Arizona. Our goal is to see all of them in the lower 48 before the children grow up. We'll see if we can accomplish that goal.

### Praises

1. We began our time in Arizona at Welcome Home Baptist Church in Show Low with Pastor Luther Quintana and his wife, Sandy. I knew Bro. Quintana from Tabernacle where I grew up. I was in high school while Bro. Quintana was in Bible College. We actually graduated the same night in 1988. I was able to preach for him at the first church he planted in Tucson when I traveled there in 1995. This time they were celebrating the church's 16<sup>th</sup> anniversary. I had the privilege of preaching on Sunday morning and Wednesday. The fellowship during the week was great as well.

2. From Show Low, 7,000 feet above sea level, we went to Avondale. The weather changed considerably. Show Low, because of the elevation, was cool. Avondale, near Phoenix, was hot. We enjoyed laboring with Pastor Ron Manuel at Lighthouse Baptist Church. They were preparing for their 1<sup>st</sup> anniversary service the following week. We were able to help them canvass some neighborhoods while with

them.

3. We next headed back to the mountains of Arizona to Sedona. Pastor Kevin Griffin and his family started Emmanuel Baptist Tabernacle about 3 years ago. I was able to preach Sunday night and also teach during the Bible study at the Griffin's house on Tuesday. On Thursday morning, Bro. Griffin and I did some visitation. It was good to see the work that the Lord is doing in Sedona, AZ.

4. While in Sedona, we parked at Faith Baptist Church in Cottonwood, AZ. Pastor Tim Larkly asked me to preach at their Thursday night prayer meeting. It was a privilege to do so. We are thankful for the opportunity to labor at Faith Baptist Church in Cottonwood.

5. Our last stop in Arizona was outside of Tucson, AZ, with Pastor Stan Stringer at Faith Baptist Church. The church is the base from which they work with the Tohono O'odham Indian reservation. Stan's mother married my grandfather years ago, so we call him Uncle Stan. We had the privilege of laboring in the church and also on the reservation. We had a great time with Uncle Stan, Aunt Jane, and all of those that labor there.

### Prayer Needs

1. Power in Preaching; 2. Protection in Travel; 3. Provision of Needs; 4. I have begun working on our schedule for next year. Pray that we will be in the right place at the right time.

Preaching the Gospel,
