December 2014

Dear Fellow Believers and Friends,

We enjoyed an outstanding month of November. The Lord blessed us with good services and fellowship in every place that He gave us to labor. We began the month finishing up our time in Arizona, and then worked our way across the country to Alabama. We certainly appreciate every pastor and church that gave us the privilege of working with them. The Lord was certainly good to us throughout the month and year, and we had much to thank and praise Him for as we celebrated Thanksgiving at the end of the month.

Our first service was in Avondale, AZ, with Pastor Ron Manuel at Lighthouse Baptist Church. The Manuels have been there for two years, and the Lord is really blessing with a good number to work with. We enjoyed good services on Sunday morning at Lighthouse and Sunday night at Freeway Baptist Church in Phoenix. I had the privilege of preaching the Wednesday night service at Lighthouse. We enjoyed our time with Manuels and look forward to laboring with them again next year.

From Arizona, we headed back to the Southeast. We stopped over in Yukon, OK, to spend a few days with the John Heffernan family. John and I grew up together at Tabernacle Baptist Church in Greenville. We had a great time seeing the Heffernans and being in the services at Harvest Hills Baptist Church. Pastor Larry Karsies preached some good messages while we were there. Our thermostat was not working, so when a cold snap hit, we were without heat. Bro. Karsies was concerned about us, so he had the church put us in a motel for the night. We certainly appreciate the kindness of Bro. Karsies and the people of Harvest Hills Baptist Church.

After leaving Oklahoma, we arrived in Alabama. Our first stop was in Cullman with Pastor Keith Whitley at Victory Baptist Church. We joined up with Van Billingsley, our co-laborer in the tent ministry. At Victory, we had a Fall Festival on Saturday, and then I preached Sunday morning and Bro. Van preached Sunday night. While in Cullman, we were able to get some minor repairs done to the trailer. Because of a wiring problem, our converter had burned up. This caused the thermostat to not work. After replacing the converter, the thermostat started working again. We also had a broken light replaced. The services and fellowship were great, and we enjoyed our time at Victory Baptist Church.

While in Cullman, we traveled over to Ashville, AL, to be with Pastor Gerald Taylor at Lighthouse Baptist Church. Because of Tamatha's sickness in the spring, we had to cancel our service with them. Since we were close by, Bro. Taylor allowed us to come and be in their Wednesday night prayer service. I gave an update of where we had labored and preached that night. The church was very good to us. They gave gift bags to each of the children and Tamatha. We enjoyed the service and fellowship at Lighthouse Baptist Church.

Also, while in Cullman, we were able to see the Brandon Smith family. They drove down from Tennessee to spend some time with us. I have preached for Bro. Brandon in previous pastorates. He is pastoring again in Tennessee, and we look forward to laboring with them again.

Upon leaving Cullman, we drove to Smiths Station, AL. We had a great time with Pastor Jim Grantham and his family. The services were great and the fellowship was wonderful. The Granthams and the people of Faith Independent Baptist Church have been very good to us in the years that we have known them, and they were good to us again while we were there this time. I had the privilege of preaching both services on Sunday and the Tuesday night service, as well. We had a great time in Smiths Station.

Preaching the Gospel to the Sinner, Encouraging the Believer, and Exalting the Name of Jesus Christ until He Comes Again.

For Thanksgiving, we drove up to Greenville to spend the day with Tamatha's parents. We spent the night in Greenville, went to my dad's house for a few hours, and then drove back to Alabama on Friday. We always enjoy Thanksgiving time, and this year was no exception. As I mentioned earlier, the Lord has blessed us immensely this year, and we are very thankful for His goodness to us.

Our final service for November was at Central Baptist Church in Lanett, AL. Pastor Jeff Thorn and his people were very kind to us. We had a wonderful service and enjoyed a great time of fellowship with Bro. Thorn and his family in the afternoon. Bro. Thorn said to schedule the last Sunday of November for next year, and we are looking forward to being with them again.

Praises

1) We are so thankful and give the Lord the praise for the services that I have mentioned above. I look back with fond thoughts of each place that we were at in November. It was a great month, and the Lord was very good to us in allowing us to serve Him in each place. 2) We certainly appreciate all of our faithful supporters. Your support allows us to preach the Gospel to sinners all over the country and also to strengthen God's people. Thank you for your faithful support. 3) We are also thankful for each offering from the churches where we labored. 4) To fully finance our labors, it also takes special offerings. We appreciate these special gifts recently given by Para Daugherty, the Collins family, Richard and Shirley Hughes, and Jeffrey Jacques. Another offering was given, and the person requested to remain anonymous. These offerings allowed us to pay our regular bills and also to pay for the trailer repairs done in October and the truck repairs in November. It also paid for the fuel to travel back to the Southeast. Thank you does not seem adequate. Your sacrifice and love for the Lord enable us to serve Him. We appreciate it so much. 5) We also want to thank Faith Independent Baptist Church in Smiths Station, AL, and the James Hood family for their Christmas offerings. 6) Our 2015 schedule is filling up. We have 5 tent revivals and 2 other missions/revival meetings scheduled. We have several other places to go with just the dates needing to be confirmed. We are looking forward to a busy year of service for the Lord. 7) Tamatha is staying healthy. We are certainly grateful for that.

Prayer Needs

1) Power in preaching remaining services in December. 2) Protection in travel through the end of the year. 3) Completion of schedule for 2015. 4) Good health for Tamatha. 5) Provision of needs.

We wish everyone a very

Merry Christmas and Happy New Year!

Paul, Tamatha, William, Nowelle, Wesley Peter, and Silas
